

KNIGHT *On-Premise Plus*TM

Laundry Chemical Dispenser

Plus... Enhanced Performance
Features at a Lower Cost!

SPECIAL FEATURES

- Plug 'n Play Cable Connections
- Low Voltage Washer Interface Module
- 8 Formula Capability Hand Held Remote
- Simple Programming
- Protected Access Code
- Dual Volumes Per Formula
- 10 oz./300 ml. or
Optional 20 oz./600 ml. Pumps
- Multi Voltage 115/230 VAC
- Optional Built-In Flush Manifold
- Drain Mode Pump Signaling

On-Premise PlusTM

Laundry-Chemical Dispenser

The new On-Premise Plus, with its operator friendly eight formula remote control, provides unparalleled flexibility and economy. With a choice of 1, 2, 3, 4, 5 or 6 pump dispensers, the new On-Premise Plus is the market's greatest advance in chemical control.

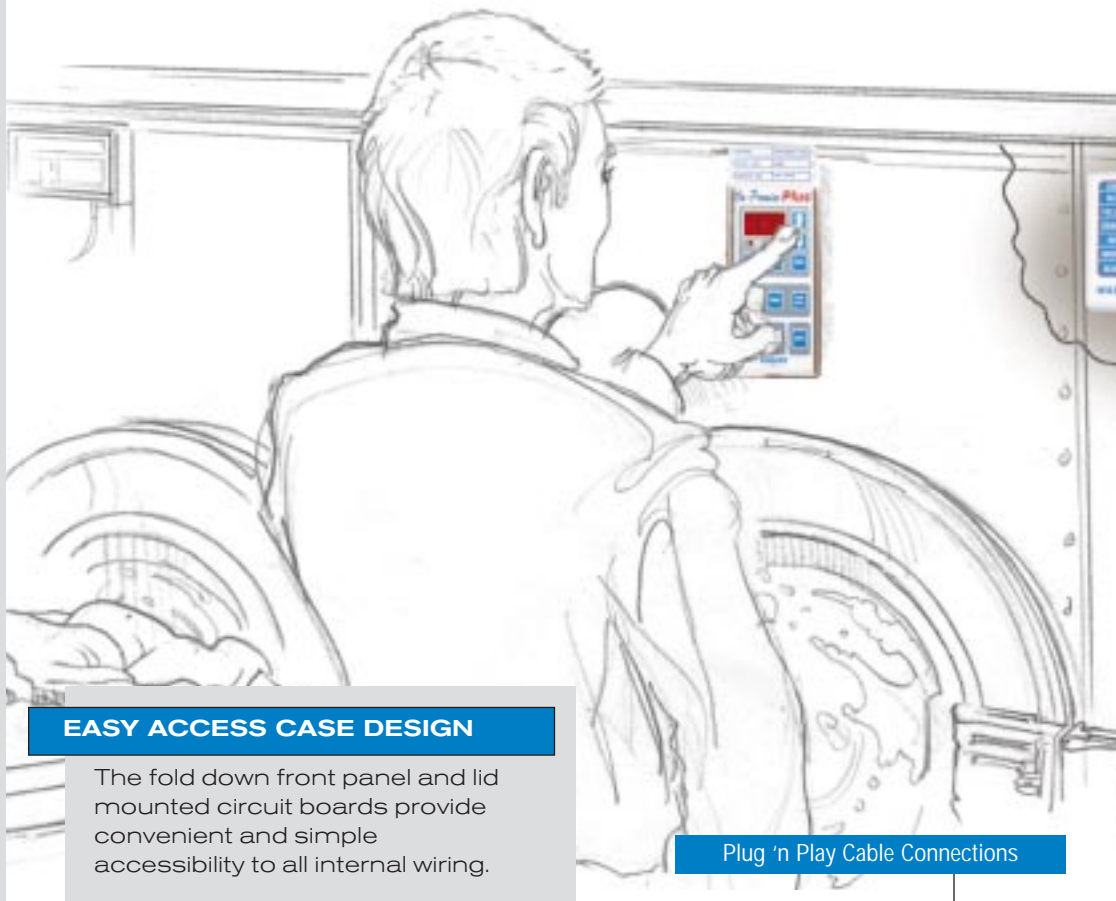

INNOVATIVE

Easy • Economical • Flexible

We've made access to internal components quick and easy for *excellent serviceability*.

The optional 20 oz. / 600 ml. pump, combined with up to 8 wash formulas, gives you *greater flexibility* in serving a wide variety of laundry applications and washer sizes. The multi-voltage connection allows you to use one dispenser for both 115 and 230 volt applications, *saving you time and money*.

FOR WASHERS UP TO 175 POUNDS

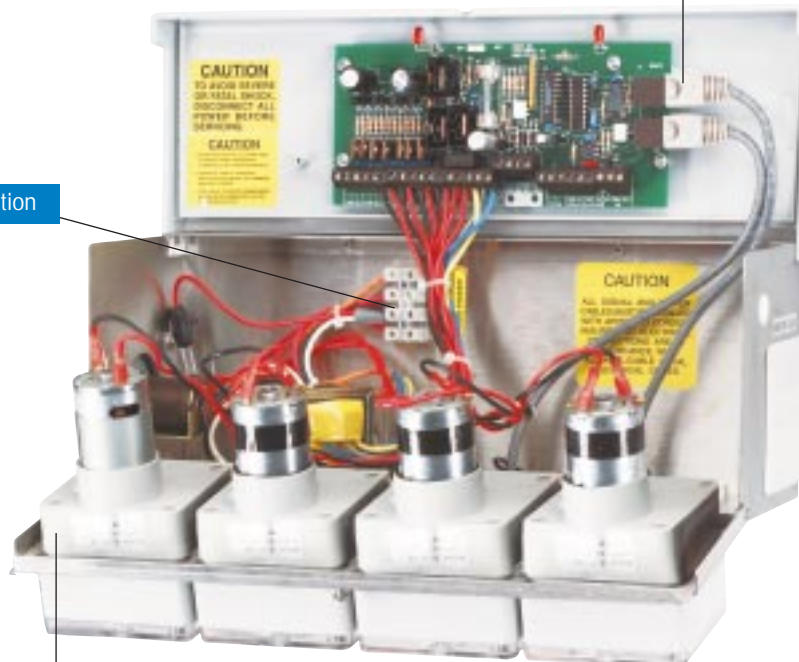

EASY ACCESS CASE DESIGN

The fold down front panel and lid mounted circuit boards provide convenient and simple accessibility to all internal wiring.

Plug 'n Play Cable Connections

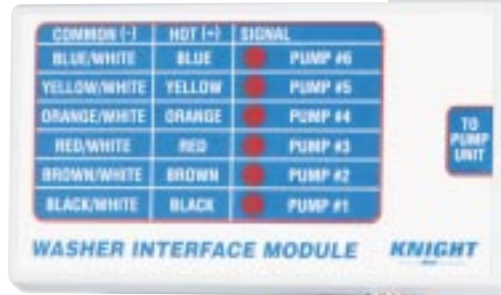

Multi Voltage Connection

10 oz. / 300 ml. or 20 oz. / 600 ml. Pumps

WASHER INTERFACE MODULE

Every signal input has its own separate common allowing easy connection to any style washer. The new Plug 'n Play cable connections eliminate the need for cumbersome, expensive conduit. High Voltage signal outputs are reduced to a safe 12V to make wiring simple. The Washer Interface Module can be mounted in the washer or on the side of the pump dispenser. It's a big time saver!

TO DISPENSER →

REVOLUTIONARY

Efficient • Quick • Accurate

The Washer Interface Module with its Plug 'n Play cable connections was designed around the needs of the technician to provide maximum versatility and to make your job fast and easy!

INTUITIVE

Reliable • Responsive • Automatic

Programming the On-Premise Plus is a smooth process with the user friendly handheld remote. And with the new "Enter" button, it is responsive to your commands. Easy to understand and operate, the unit offers up to 8 formulas with dual pump volumes and load counts per formula.

REMOTE CONTROL

The On-Premise Plus remote control mounts to the front of the washer in a stainless steel holster, right where the operator needs it most. Its 8 formula capability provides greater control of chemical costs with better wash results over a wide range of soil loads. A personal access code protects all formulas already programmed into the system.

PORTABILITY

The Plug 'n Play cable connections allow the remote control to be simply unplugged and carried back to the pump dispenser for programming and calibration.

OPTIONAL FLUSH MANIFOLD

The Flush Manifold prevents washer corrosion and fabric chemical burn. The flush mode automatically activates and opens the system's built-in water solenoid when chemicals are dispensed into the manifold. A diluted flush is then provided to the washer through a single injection line. Chemicals can now be dispensed while protecting fabrics from shock. As an added precaution, built-in check valves prevent back-siphonage as well as cross-contamination of chemicals.

KNIGHT LIMITED WARRANTY

All Knight controls and pump systems are warranted against defects in material and workmanship for a period of ONE YEAR. All Electronic Control Boards have a TWO YEAR warranty. Warranty applies only to the replacement or repair of such parts when returned to the factory with a KRA number, freight prepaid and found to be defective upon factory inspection. Rubber and synthetic rubber parts such as "O" rings, diaphragms, squeeze tubing and gaskets are considered expendable and are not covered under warranty. Warranty does not cover liability resulting from performance of this equipment nor the labor to replace this equipment. Product abuse or misuse voids warranty.
